1	Nothing was ever said about an extended workday during our meeting, why is it in the survey.	9/21/2018 6:39 AM
2	My biggest concern is for the ELC to have to share a building with K-2nd grade, that is a LOT of kids to have to share the gym, library, bathrooms, etc.	9/18/2018 2:01 PM
3	That ELC will have comparable facilities to what they have now; preferably separate from the rest of the students.	9/18/2018 1:06 PM

## Q5 Is there anything else that you think we should consider with regard to future planning?

#	RESPONSES	DATE
1	the early learning center does many things differently from the rest of the district and has many requirements the district does not and vice versa	10/1/2018 5:45 PM
2	I like the idea of IB for all but it will take a while to become an IB school and that is not fair to teachers,parents and students when they have worked so hard to acheive what they have.	9/21/2018 6:39 AM
3	The oldest students in a grade center will display "senioritis" when they become the oldest students in the building. I have seen it happen.	9/18/2018 3:21 PM
4	The ELC would love to have our own wing, with our own gym, library, trikes, etc.	9/18/2018 2:01 PM
5	As for the current physical space, the ELC utilizes every bit of space. The classrooms are spacious; there rooms for specialists; the gym and multi-purpose room are utilized on a daily basis. When the courtyard is open, this space is utilized as well. With the new building it would be a important to keep in mind how much space the ELC needs and it would be a shame to short change this excellent program.	9/18/2018 2:00 PM
6	That the district is up-to-date on state requirements.	9/18/2018 1:06 PM
