Federal Signal (Safety & Security Systems)  
Attention Johnny Carver  
2645 Federal Signal Drive  
University Park, IL 60484

Dear Federal Signal:

On behalf of Monee Elementary School, thank you for your gracious donation of school supplies for our students and T-shirts for our staff members. Our staff, students, and families continue to work hard! During these challenging times, some students need a little extra support and resources. Thanks to your donation, students have more supplies to assist them at school with assignments and projects and during homework. This helps to maximize their learning experience. We appreciate your willingness and investment in our community! Thank you again for your support!

Sincerely,

Dr. Amos K. Vaughn  
Principal
